## LA LOIRE À VÉLO

- **900km** of safe and sign-posted routes from Cuffy to the Atlantic Ocean
- 1,8 million cyclists each year
- a route **for everyone**: families, seniors, groups or experienced cyclists
- a **website dedicated** to helping you plan your route, calculate the distance you want to cycle and download the routes in GPS
- possibility of hiring **electric bikes**
- a **luggage-carrying service** is available along the whole route : <https://bagafrance.com/>
- If you hire a bike, you don't need to bring it back to the same place you hired it from
- The **"Train Loire à Vélo"** service allows you to bring your bikes with you on the train and runs between June and September
- 1000 members institutions of the **"Accueil Vélo"** network are committed to providing equipment and services
